DETAILED ACTION

Allowable Subject Matter

Claims 22-25, 31-33 and 45-50 are allowed. Claims 22 and 33 are independent claims.

The following is an examiner's statement of reasons for allowance:

Regarding independent claim 22, the closest prior art of record is (USP 3,912,055) to Malooly which was applied to the claims in the office action mailed 7/22/10. Suffice it to say, the patent to Malooly does not disclose said pocket being located outside of the first cover when then the first panel and the second panel both being releasably joined to the first cover, as claimed. Furthermore, there is no combinable teaching in the prior art of record that would reasonably motivate one having ordinary skill in the art to so modify the teachings of Malooly and thus, for at least the foregoing reasoning, the prior art of record does not render obvious the present invention as set forth in independent claim 22.

Regarding independent claim 33, the closest prior art of record is (USP 6,837,346) to Hollingsworth which was applied to the claims in the office action mailed 5/19/09. Suffice it to say, wherein said first side of said first cover is an inner side and said second side of said first cover is an outer side, the patent to Hollingsworth does not disclose, the rear panel of the pocket being positioned on said inner surface of the first planar component, and said front panel of the pocket being positioned on said outer

side of the first planar component. The patent to Hollingsworth also does not disclose the rear panel including a protruding portion that protrudes beyond the perimeter of said opening to prevent said rear panel from being pulled through said opening, as claimed. Furthermore, there is no combinable teaching in the prior art of record that would reasonably motivate one having ordinary skill in the art to so modify the teachings of Hollingsworth and thus, for at least the foregoing reasoning, the prior art of record does not render obvious the present invention as set forth in independent claim 33.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sara Addisu at (571) 272-6082. The examiner can normally be reached on 8:30 am - 5 PM.
